

Certificate of Attendance

This is to certify that

Alexander CS Hendorf

has attended EuroSciPy 2025 - 17th European Conference on Python in Science.
The conference took place from 19. - 22. August 2025 at the AGH University of Kraków,
Poland.
Conference on site.

The 17th European Conference on Python in Science is a cross-disciplinary gathering focused on the use and development of the Python language in scientific research. The conference strives to bring together both users and developers of scientific tools, as well as academic research and state of the art industry.

The conference is run under the umbrella of the Python Softwareverband e.V.
- a non-profit association representing and supporting the European Python community, fostering collaboration, open source, and professional exchange.

Signed

Alexander CS Hendorf
as Chairman of the Board of Directors of
Python Softwareverband e.V.
